## **ENVIRONMENTALLY FRIENDLY PRESSURE WASHING SERVICES**

For clients in counties or other regions that now mandate the containment of pressure washing runoff, Jimco offers a scalable solution that can be cost effectively implemented.

The procedure is based on technology designed to comply with the Clean Water Act.

Jimco Maintenance is an integrated provider of customized facility services offering efficiencies across the following areas:

- Equipment Maintenance
- Commercial Pressure Washing
- Facility Painting
- Wholesale Wheel and Caster Distribution

Jimco Maintenance has a proud history spanning over 40 years of dedication to quality service. Jimco partners extensively with Fortune 500 Companies.
